Dear Parents/Guardians,

Assessment Circular for Semester 1 (2022)

1. In line with MOE's focus to provide a more holistic learning environment, the school will continue to strengthen the overall development of each child, deepen the joy of learning and instill a stronger motivation in students to learn. The school-based assessment structure will provide your child/ward with adequate time and space to adjust to new subjects, higher content rigour and expectations.
2. Below is the school's assessment structure:
 - a) No weighted assessments for Primary 1 and 2.
 - b) There will be no more than one weighted assessment per subject per term.
3. The table below shows the assessment weightings for the year:

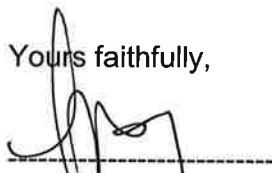

Levels	Term 2	Term 3	Term 4
Primary 3	WA (15%)	WA (15%)	SA (70%)
Primary 4	SA (30%)	--	SA (70%)
Primary 5	WA (15%)	WA (15%)	SA (70%)
Primary 6	SA (30%)	Prelim (70%)	PSLE

Weighted Assessment (WA): WA will be administered during the period(s) of the respective subjects.

Semestral Assessment (SA): SA will be administered according to the Examination Schedule.

4. The examination policy, topics and dates for assessment/examination for Term 2 are as attached.
5. We hope that this assessment circular will be useful to help you plan a well-balanced revision schedule for your child/ward. With good home and school support, we hope that your child/ward will become even more motivated and confident in his/her learning.
6. Please acknowledge receipt of this circular. If you have any enquiries regarding specific subjects, please contact your child/ward's subject teacher(s) for clarification.
7. Thank you.

Yours faithfully,

Mr Steven Wong
